Online Activities 2/25 – 3/1

For review and reflection of what we did in class:

Post a reflection on your blog in our Ning (<http://aobweb20.ning.com>):

I would like you to share your reactions to using the last applications we examined: Audacity, podcasting, and Picasa. Name your post **Podcast/Image Sharing**.

On our discussion forum in Ning: Final Thoughts and Lessons Learned

I would like everyone to reply to my post – please do not create an original one. Looking back, compare what you thought you would get out of this course, and now, what you can do and possibly plan to do in the future. See the post for more details.
